RE: 71-4006 et al / Notice of Change in Water Right Ownership

Dear Trish:

Enclosed you will find the original and a copy of a Notice of Change in Water Right Ownership for 71-4006, 71-10080, 71-10081 and 71-10082. The current owner of record in the Department's records is the Humphreys Trust. The new owner is Humphreys Family Limited Partnership, a Texas limited partnership. The property and appurtenant water rights were incorrectly conveyed by W. Michael Humphreys and Candace P. Humphreys, husband and wife, to the limited partnership by a Warranty Deed recorded in Custer County as Instrument No. 256368. Attached to the enclosed Notice is a Correction Warranty Deed whereby the Humphreys Trust grants the property together with appurtenant water rights to the limited partnership, thus correcting the conveyance of the property. This Correction Warranty Deed was recorded November 26, 2012 as Instrument No. 246614, records of Custer County, Idaho.

Please give me a call if you have any questions about this water right ownership change. If not, please process it and receipt date-stamp the copy of the Notice and return it to me in the postage-prepaid self-addressed envelope I have included for that purpose.

HAPPY NEW YEAR!

Sincerely yours,
