Dear Sir:

Thank you for your letter dated October 29th. Enclosed please find my Change in Water Right Ownership form. I have enclosed a \$100.00 check, a copy of the deed, legal description and aerial photo of my property as well as a copy of your original letter. I am attempting to make my best effort to comply with the application process. Please advise if I need further coaching to comply with the process. I am very interested in getting this completed correctly.

Thank you for your assistance and patience in this matter.

Regards,
