To Whom It May Concern,

I am sending in to your office two Change in Ownership forms for one water right #36-08466. The first transaction with Reservoir Land Company was done on December 27, 1991 and was sold to our farming corporation, Triple Ace Inc. This sale was comprised of two potato storages and the land along with the necessary water right.

We decided to add more storages to the site and purchased additional land that surrounded these first parcels. At that time, it was decided to sell the two storages, land and water right to my husband, Russell V. Patterson because the additional land purchase and storages to be built would be under our personal names. This was done March 30, 1992.

Now twenty plus years later, we are in the process of selling the potato storages and land. Unfortunately, after all these years, the ownership of the water right has not been transferred to us. So I am sending in the necessary change forms and copies of the Deeds that would show the proper transfer of ownership.

Please feel free to call me at 208.678.8283 if you have any questions. Thank you so much for your help!

Sincerely,

Lisa Patterson
