REVISED POINT OF DIVERSION

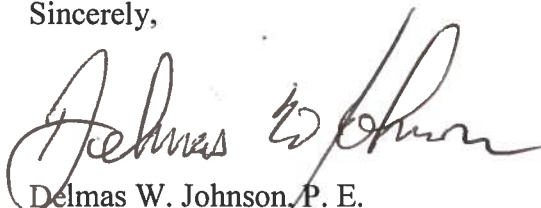

Dear Mr. Cefalo,

RE: Transfer of Water Right Point of Diversion (#22-14018)

Enclosed please find a revised Point of Diversion Application for the above captioned well site. The original request showed the ground water site to be located at the SESESW, Sec.01, T6N R39E in Madison County whereas the actual well site is in the SWSWSE, Sec.01, T6N R39E. This error occurred as the well is near the ¼ Section which was verified by a field survey. We regret this error in identifying the site location.

Please contact me if you have any questions or concerns.

Sincerely,

Delmas W. Johnson, P. E.
Water Resource Manager
