RE: Permit Nos. 63-32911, 63-32912 & 63-32467

Dear Permit Holder(s):

Enclosed are copies of the approved requests for extension of time submitted in connection with the above referenced permits which extends the proof due dates to **December 1, 2017**.

Please note that the department granted these extensions based on evidence of good cause. It is important that you work diligently toward the completion of these projects during the construction period allowed because the department **will not** grant any additional extensions based on good cause, according to Section 42-204(5), Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Also forms are contained on the Department website: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,

Darla Block
