RE: Change in Ownership of Water Right No. 65-22890 (split from 65-4255)

Dear Mr. & Mrs. Marques:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

_____ **Filing Fee** of \$25 for water right 65-22890.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.00. Fees for water right claims still active in the Snake River Basin Adjudication (SRBA) are also exempt from fees. Water Right claim 3-10179 on your form has been processed under separate process by IDWR Adjudication Bureau. Water Right 65-22890 was decreed by the SRBA court on January 01, 2007.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
