Lori, Maureen,

RE: LUP IDI-037005, Frisby: 04-01-2013 due date for submission of water bank rental

I received a notice from IDWR dated 01-07-2013 (see attached) which identifies that it will cost \$2,426.20 to rent water from the Water Supply Bank for the 2013 irrigation season. Please remit payment to IDWR by the 04-01-2013 deadline.

According to the Ag Permit (see attached), it appears that the 2013 water will be used to irrigate a seed mixture designed to rehabilitate the land. The seed mixture is described on Exhibit C to the Ag Permit, but I don't have that exhibit in my copy.

It has been a while since I last emailed, therefore please reply so I'll know you got this.
