Receipt no. 0096312Received by HPDate 12-13-12**Request to Reinstate a Permit Lapsed more than Sixty Days**

Statements of Completion for Submitting Proof of Beneficial Use submitted more than sixty (60) days after mailing of a lapsed permit notice must be accompanied by a Beneficial Use Field Report prepared by a certified water right examiner as the result of an examination to clearly confirm and establish the extent of the beneficial use of water established in connection with the permit during the time authorized by the permit and any extensions of time previously approved, a statement of reasonable cause for filing late proof of beneficial use, and a reinstatement application fee of \$250 per§ 42-218a(2), Idaho Code.

Statement of reasonable cause for filing a late proof of beneficial use:

The original partner of Robert Timmons, Lou Clayton, had his own post office box in Thatcher (Box 32) when the permit was originally filed. Correspondence regarding this permit was sent to this post office box. By the time the Proof Due Notice was sent to this post office box four years and 10 months after the permit was approved, Lou Clayton had had a falling out with Robert Timmons and had left the partnership. Lou Clayton retained the post office box and never forwarded the notice to Robert Timmons. As a result, the notice never did get into the the possession of Robert Timmons.

Lou Clayton no longer owns a share of the property. The property deed transferring Lou Clayton's and his wife's share of the Maple Grove Hot Springs property to Robert Timmons and his wife Barbara Timmons is attached.

Recently Barbara Timmons and Robert Timmons divorced. Barbara changed her surname to Senter. The divorce decree gives proof that Barbara Senter and Robert Timmons retain equal ownership of the Maple Grove property. A copy of the judges divorce decree is attached.
