RE: Security Interest Water Right No. 27-4025, 27-10149, 27-12035 & 27-11897

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Signature**

Please note there are some issues with water right numbers 27-4025 and 27-12035 and the department's ability to complete your application. It appears that Charles and Carol Dansie sold those water rights on a Warranty Deed recorded with Bingham County under instrument number 626036. Therefore you may be entitled to a refund after processing this application.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
