TO: Idaho dept of Water Resources

RE: Cub River Acres Permit # 13-7514

This letter and information is in regards to the letter from you concerning the water system.

5. I am enclosing a picture of our new water piping in the new pipe and chlorination building. Photo # 1 shows the pipe system. Photo # 2 is the meter that shows amount of water that is going into the tanks and is for use in the water system. This is the top pipe.

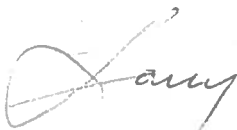

Photo # 3 shows the meter that is going thru the bypass and being dumped into the river. This is the bottom pipe. The meter in picture # 1 is hidden by blue stand for top pipe.

We are able and do so, to keep track of our water usage and also the water from the spring put into the river.

8. We have 15 homes that use water full time. We also have 55 summer users.

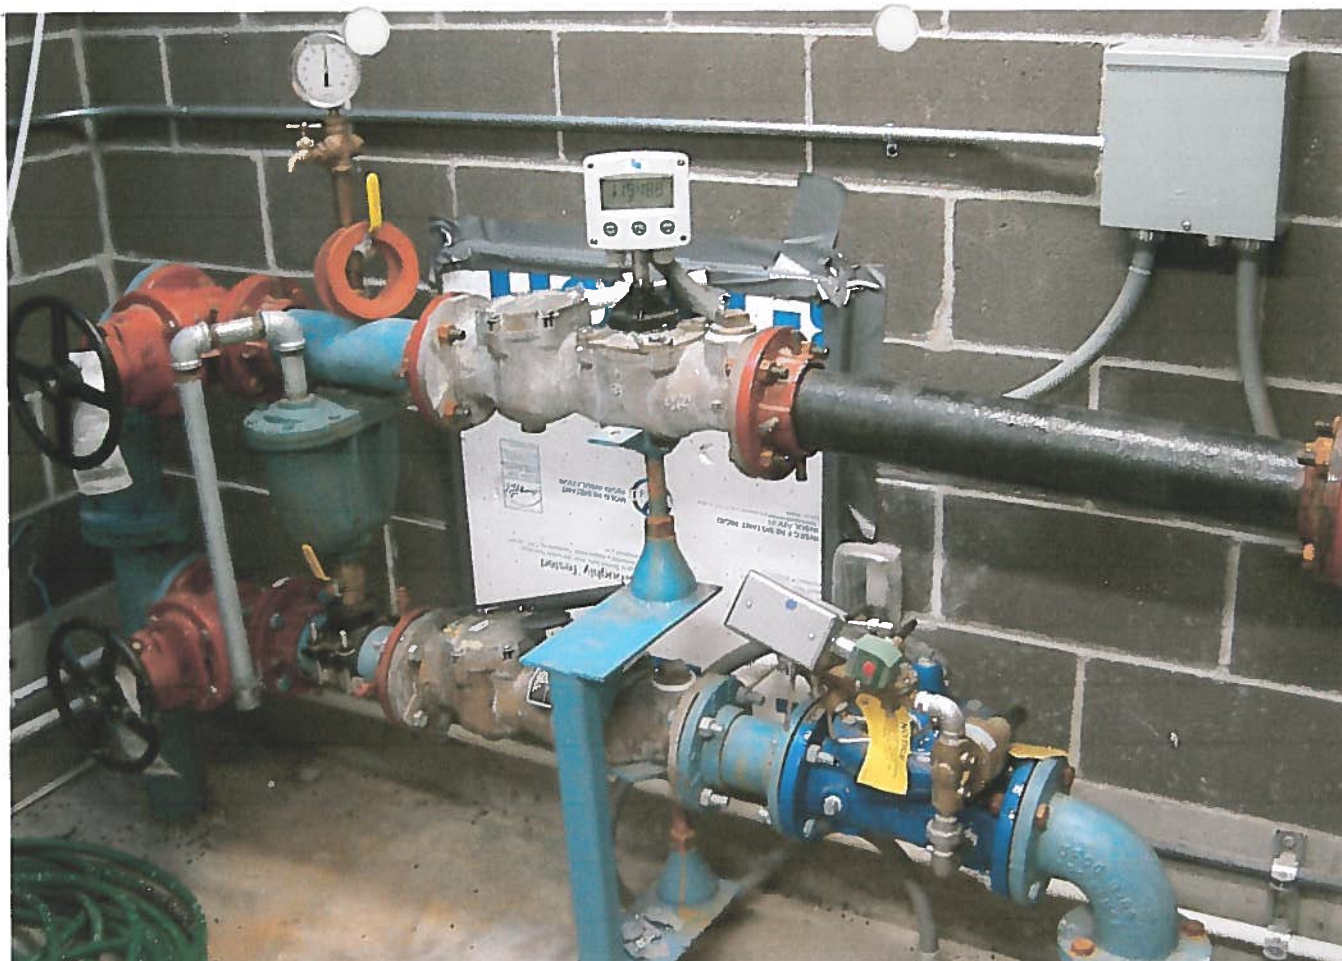

Please correct address to: Cub River Acres Inc. C/O Larry A. Beckstead
PO Box 227, Preston, Idaho 83263

Thanks

Larry A Beckstead
