CONDITIONS OF APPROVAL

1. After specific notification by the Department, the right holder shall install a suitable measuring device or shall enter into an agreement with the Department to use power records to determine the amount of water diverted and shall annually report the information to the Department.
2. Water shall not be diverted for fire protection use under this right except to fight or repel an existing fire.
3. The diversion and use of water described in right 84-12242 may be subject to additional limitations agreed to by the City of Weippe and the right holder under separate agreement to which the Department is not a party and which may be enforceable by a court of law.
4. This right does not grant any right-of-way or easement across the land of another.
5. Commercial use is for sprinkling log decks and dust abatement.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 28th day of January, 2013.
