Dept. of Water Resources
Attn; C. F. Hersley, P.G.

Please find the completed "Assignment of Permit" and a check for \$25.00... This assignment is between Glenn L. Liffick and QC Properties LLC (Glenn L. Liffick, trustee). QC Properties LLC is owned by the Liffick Family Living Trust. The ownership has not changed, only the form of ownership.

The well is operable and in service for Lot 5 only. Lots 1 through 4 are currently and permanently served by the City of Bellevue water system. Lot 5 is in Blaine County and will not be served by the City of Bellevue unless annexed (unlikely).

Sincerely,

A handwritten signature in black ink that reads "Glenn Liffick, P.E.". The signature is written in a cursive style with a large, looped "G" and "L".

Glenn Liffick, P.E.
