Subject: The Conservation Fund - Water Right 27-4146 and 27-4147
Attachments: IDWR Letter.pdf

Danni,

As we just discussed, I flip-flopped the water rights numbers in the change of ownership application The Conservation Fund submitted (see IDWR response letter attached). Thus, as we also discussed, you will instead process the application for water right 27-4147, and leave 27-4146 as is.

Thanks,

Mark
