*RE: Permit No. 15-7332
Olin Hannum
2449 South 2300 West
West Haven, Utah 84401*

Please find attached a request for extension of Mr. Hannum's water permit. Because of lack of assistance, Mr. Hannum asked the Oneida SWCD to assist with planning and financial loan assistance through the Idaho SWCC that the District recommended as a very high priority, because of water savings on Mr. Hannum's land.

The project is still ongoing because a well driller could not be obtained and for several other financial reasons.

Please consider an extension of Mr. Hannum's permit as financing is now available as well as he is currently drilling the well and will be finalizing the project over the next several months.

Thank you very much for your assistance with the required forms and your consideration of granting a extension.

*Sincerely,
Oneida SWCD, Linda Daniels, Administrative Assistant*
