RE: Permit No. 15-7332

Dear Permit Holder:

The Department acknowledges receipt of your request for extension of time submitted in connection with the above referenced permit which extends the time within which to submit proof of beneficial use of water to January 1, 2017.

The department granted this extension based on good cause. It is important that you work diligently toward the completion of this project during the construction period allowed because the department will not grant an additional extension based on good cause, according to Section 42-204(5), Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,
