Dear Ms Block,

We would like to modify our permit to reflect the full 5 year extension with an end date of 12/01/2017. Would this email count as a written response or would fax or USPS mail be necessary? Thank you and have a great Thanksgiving.

Sincerely,

Michael K Klopping, SMA Land & Cattle, LLC

Re: Extension Request Filed for Permit No. 67-14758

Dear Permit Holder(s):

The Department is in receipt of your extension request filed on November 16, 2012. You requested a (2) year extension of time for submitting proof of beneficial use for the above referenced permit.

You were allowed an initial (5) year development period under the permit, which ends on December 1, 2012. You are only allowed to file one request for extension of time after that initial 5 year development period. You could ask for your extension request to be modified to reflect the full 5 years you are allowed, if you feel it is warranted.

However, I would need your written response requesting that your extension request form be modified to reflect an end date of December 1, 2017, in order to make any changes to your form.

Please respond with the extension end date you would prefer.

Sincerely,

Darla Block
