RE: Change in Ownership of Water Right No. 27-4146

Dear Water Right Holder:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

 X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The Warranty Deed you provided does not show you own any part of Section 07 in water right 27-4146 place of use is located. If you purchased property in Section 07, please send recorded deed with proposed split indicated on a map to complete the change of ownership process. However, if the Warranty Deed you submitted with the change of ownership is the purchased property, water right no. 27-4147 is within the legal description of the Deed and would require a split of .8 acres within Section 07 from the total of 54.1 acres of irrigation and stockwater uses.

If the intent of the purchase was for stockwater use from 27-4146 a transfer to your purchased property would be required and ownership could be completed in the transfer process. I have attached copies of the water right reports and map layouts for both rights for you convenience.

Because the Department cannot process the ownership change without proper documentation or clarification, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Danni M. Smith
