RE: Water Right Permit 79-7194

Dear Mr. Lindsey,

Nearly a year has passed since I have sent you a letter in an attempt to bring permit 79-7194 to a final resolution. Since then, we have spoken on the phone and I expected to see you in our office this summer to discuss your permit.

I hope all is going well and I regret that we didn't get a chance to talk in person in order to resolve the issues with your permit this summer.

At this point you may sign and submit the enclosed amendment form with the statutory fee of \$100. Once the signed amendment and fee are received, I will issue your license which is the last step in the appropriation process.

If the above requested information is not received within 30 days, an order will be issued to void the permit.

Please let me know if you have any questions regarding this matter. You may contact me at (208) 287-4944.

Sincerely,

Cherie Palmer, Sr. Water Resource Agent
Water Allocation Bureau
