CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11F.
2. The quantity of water under this right for stockwater use shall not exceed 13,000 gallons per day.
3. This right, when considered with all other rights common to the same grazing allotment, is limited to the quantity of water beneficially used by the number of stock within the allotment.
4. Place of use is located within Montpelier-Elk Valley Allotment No. 30016.
5. Water used under this right also includes water for wildlife.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 11th day of January, 2013.

for GARY SPACKMAN
Director
