CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 29D.
2. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
3. Use of water under this right shall be non-consumptive. Evaporation losses from the reservoir and artificial stream and transpiration losses from the surrounding riparian vegetation shall be attributed to Right 29-02137A.
4. Mitigation for evaporation losses from the pond under this right shall be provided by Right 29-02137A as approved by Transfer 70720.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 11th day of January, 2013.
