Re: Water Right No. 37-08575A Licensing Documentation
MTBR&F File No. 16845.0010

Dear Shelley:

I am writing to request an additional short extension of one week to submit the documentation requested by the Department to support the licensing of Water Right No. 37-08575A. We had hoped to complete the necessary engineering analysis and provide the information to you by January 2, 2013. Unfortunately, the report has not yet been completed, but is in the final stages of preparation.

Because of the press of the holiday weekend and my obligation to travel out of state on January 2, 2013, we need to be able to move the deadline to January 9, 2013. If we are able, we will provide it before that date, assuming the final report by Brockway Engineering, Inc. has been prepared and is available to us.

Thank you for your understanding and cooperation with this request.

Best regards,

Scott L. Campbell
