RE: Ownership Change

Date: January 9, 2013

.....

On 9/28/12 the Department received a Notice of Change in Water Right Ownership for 63-17503 for John Beecham and Christine Isaacs.

I was unsure if the applicants bought a parcel of land from David Leach, with Mr. Leach keeping his well and water right, or if he had sold his well and home to the applicants.

I left a message explaining my concerns to Mr. Leach on November 2, 2012. Mr. Leach returned my call and explained that he did sell the land with the well and no longer lived there.

The Notice was processed on 1/8/13.
