6. T07 The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
7. 104 If the surface water right(s) appurtenant to the place of use is abandoned, forfeited, sold, transferred, leased or used on any other place of use, this right to divert ground water shall not be used without an approved transfer pursuant to Section 42-222, Idaho Code, or approval of the Department if a transfer is not required.
8. R05 Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 140.
9. R43 The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
10. 206 Rights 45-2625, 45-7021, 45-7024, 45-7031, 45-14376, 45-14110, 45-14112, 45-14114, 45-14116, 45-14118, 45-14120, 45-14122, 45-14124, 45-14126, 45-14128, 45-14130, and 45-14132 are limited to the irrigation of a specific 2115.8.0 acres within the 2620.6 acre place of use authorized by these rights in a single irrigation season. Before changing the 2115.8 acres to be irrigated within the 2620.6 acre place of use, the right holder shall submit a new land list and representative electronic shape file or map to the Department prior to the irrigation season in which the change will occur.
11. T08 Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

MEMORANDUM

Date: January 8, 2013
To: Transfer 78301 File
From: Corey Skinner
Re: Evaluation of Sufficiency of Information Submitted

Transfer proposes adding a new point of diversion consisting of a new well to be drilled for three groundwater rights that currently allow for the diversion of up to 7.33 cfs for irrigation of up to 770.8 acres within a 2,620.6 acre permissible place of use on property located approximately 4.0 - 6.25 miles east and 1.5 miles north - 2.0 miles south of Declo. The new well will be located approximately 5.75 miles east and 1.4 miles south of Declo. The application proposes allowing for the pumping of water from the new well and injecting it into Marsh Creek and then rediverting water from up to four existing diversions located downstream on Marsh Creek for irrigation of the property. The new well will be located within water district 140, but outside the ESPA. Other rights (groundwater and Marsh Creek), not subject to this transfer, are used to irrigate the permissible placed of use (see Transfer # 77648 approved 3/12/2012).

- **Authority to File:**
Applicant is listed as current owner on IDWR records for the rights involved in this transfer.
- **Water Right Validity:**
Water rights involved with this transfer were decreed in the SRBA in the summer of 2005. Review of aerial photography appears to support the recent use of the rights involved with this transfer. Also note that the rights involved with this transfer were subject to Transfer # 77648 (approved 3/12/2012).
- **Injury to Other Water Rights:**
None anticipated.
- **Enlargement of Use:**
None anticipated.
- **Local Public Interest:**
No negative impact anticipated. Application will be subject to public notice.
- **Beneficial Use/Conservation of Water Resources:**
Proposed use is recognized as a beneficial use of water.
- **Effect on Economy of the Local Area:**
None anticipated.
- **Effect of the Agricultural Base of the Local Area:**
None anticipated.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.

Subject: Six S Rights

Travis,

I was doing some preliminary work in our new transfer system for the transfer application that you submitted for Six S Ranch. I noticed that the rights have John Rosholt listed as the attorney. I was wondering if we should continue to list Mr. Rosholt as the attorney for Six S? We could replace him with you at your request, leave him on, or delete him entirely. Note that we have you listed as a representative for the applicant, so you get copies of all correspondence relating to the application. I am wondering who to have as attorney of record, if any, for the water rights in general.

Let me know if you have any questions,

Thanks,

Corey
