RE: Notice of Security Interest in a Water Right 29-320, 29-321, 29-322, 29-13992, 29-7489A, 29-7056, 29-2332, 29-11697, 29-11698, 29-1699, 29-11700, 29-11650, 29-4166 & 29-11648

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note some of the water rights listed above are not currently listed in the name of Downey Properties LLC and Notice of Change in Water Right Ownership may be required. Also water rights 29-11697, 29-11698, 29-11699 & 29-11700 have a Security Interest for Western AgCredit FLCA listed with an expiration of July 1, 2039, please notify the department if this Security Interest should be released; a copy of that Notice is enclosed.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
