Re: Permit 37-21337

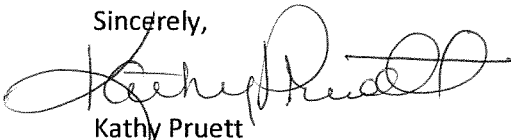

To Whom It May Concern,

Please accept the attached documents regarding permit 37-21337. Please be advised that these documents are tardy based on the fact that original requested documents were not received by this office. Unfortunately, it is not uncommon that mail submitted to this organization and to this PO Box has not arrived. Unfortunately, this organization has had previous addresses within this Post Office and at times, mail has been inadvertently placed in the previous PO Box rather than the clearly posted box of 2607. We believe the mail sorter is just placing VGVCHOA mail in the wrong box by habit. The previous property manager use to forward all misrouted mail to me directly. However, the employee of that property management company is no longer allowed to forward misrouted mail. She is now required to return the mail to the Post Office.

Additionally, it is not uncommon for us to receive mail at this address that is clearly addressed to someone other than this organization. Multiple reports have been made to the Post Master.

Thank you for your consideration. Please feel free to give me a call if you have any questions with this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kathy Pruett', with a stylized flourish at the end.

Kathy Pruett  
VGVCHOA – Manager.
