RE: Notice of Security Interest for Water Right Nos.: 36-2588, 36-7302, and 36-7303

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or online www.idwr.idaho.gov. IDWR has not received a change of ownership on this water right. Owner currently listed in Department Records is Williamson Orchard Inc.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
