RE: Assignment of Permit for Water Right Permit Nos. 67-8060 & 67-14757

To Whom It May Concern:

The Department of Water Resources has received an Assignment of Permit to change the ownership of two Permits. Both of the above referenced permits are currently in the names of Jeffrey V. and Rebecca C. Musser. Since these water rights are still in the permit stage, they are considered personal property of the permit holders of record with the Department. It must be Jeffrey Musser and Rebecca Musser that assigns the permits over to you. Furthermore, the filing fee for an assignment of permit is \$25.00 per permit. We are returning the paperwork that you sent as we require the assignment form be completed by the permit holders.

Enclosed for your convenience is the most current Assignment of Permit form to be used. Once the Department is in receipt of the proper documentation along with the additional \$25.00 filing fee, the Department will be able to process an Assignment of Permit, and apply the \$25 filing fee you previously submitted.

We will hold this matter for (30) days from the date of this letter. If the Department does not receive the proper documentation within this time period, the \$25.00 fee you submitted on August 24, 2012, will be refunded to Northwest Farm Credit Services.

If you have any questions, please feel free to contact me at (208) 287-4945

Sincerely,
