RE: Water Right Permit No. 75-7653

Dear Permit Holder:

The Idaho Department of Water Resources is in the process of reviewing Water Right Permit 75-7653 for licensing. In doing this review, it was determined additional information is needed before we can proceed with licensing.

I have enclosed a map of Township 19N, Range 21E, Section 2, where your property is located. Please clearly mark on the map where the point of diversion and place of use is for this water right.

Please submit the requested information within 30 days. If the information is not received within the 30 days, we may issue an order to void the permit.

If you have any questions, please call me at (208) 287-4942. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
