**RE: APPLICATION TO EXTEND LEASE WATER RIGHT NO(S). 51-4037
TO THE WATER SUPPLY BANK**

Dear Applicant:

The Department of Water Resources ("Department") has completed its review of your application(s) to lease water right(s) to the Water Supply Bank ("Bank"). Based on that review, the Department cannot accept water right(s) 51-4037 into the Bank. The reasons are described below.

All lease extension forms must be signed and submitted with the following required items.

1. Plat map, survey, or aerial photograph clearly showing the specific acres proposed to be idled for the duration of this lease.
2. A filing fee of \$250.00 must accompany the lease extension form to be put in the Water Supply Bank.
3. A Completed W-9 form. If your water right is rented we will be unable to issue payment to you without a current W-9 form.

Please note that a water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may also consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right.

If you have any questions, please contact this office.

Sincerely,

Christine Field
Water Supply Bank Support
