CONDITIONS OF APPROVAL

1. This right does not grant any right-of-way or easement across the land of another.
2. Fish propagation use is for fish protection through the installation of a deflection screen and a bypass pipe to provide passage for fish back to Kenney Creek.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.
4. When notified by the Department or by a watermaster with regulatory authority over this right, the right holder shall report the amount of water diverted in connection with this right. The report shall be submitted in the manner and frequency specified by the Department or the watermaster.
5. Use of water under this right shall be non-consumptive.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

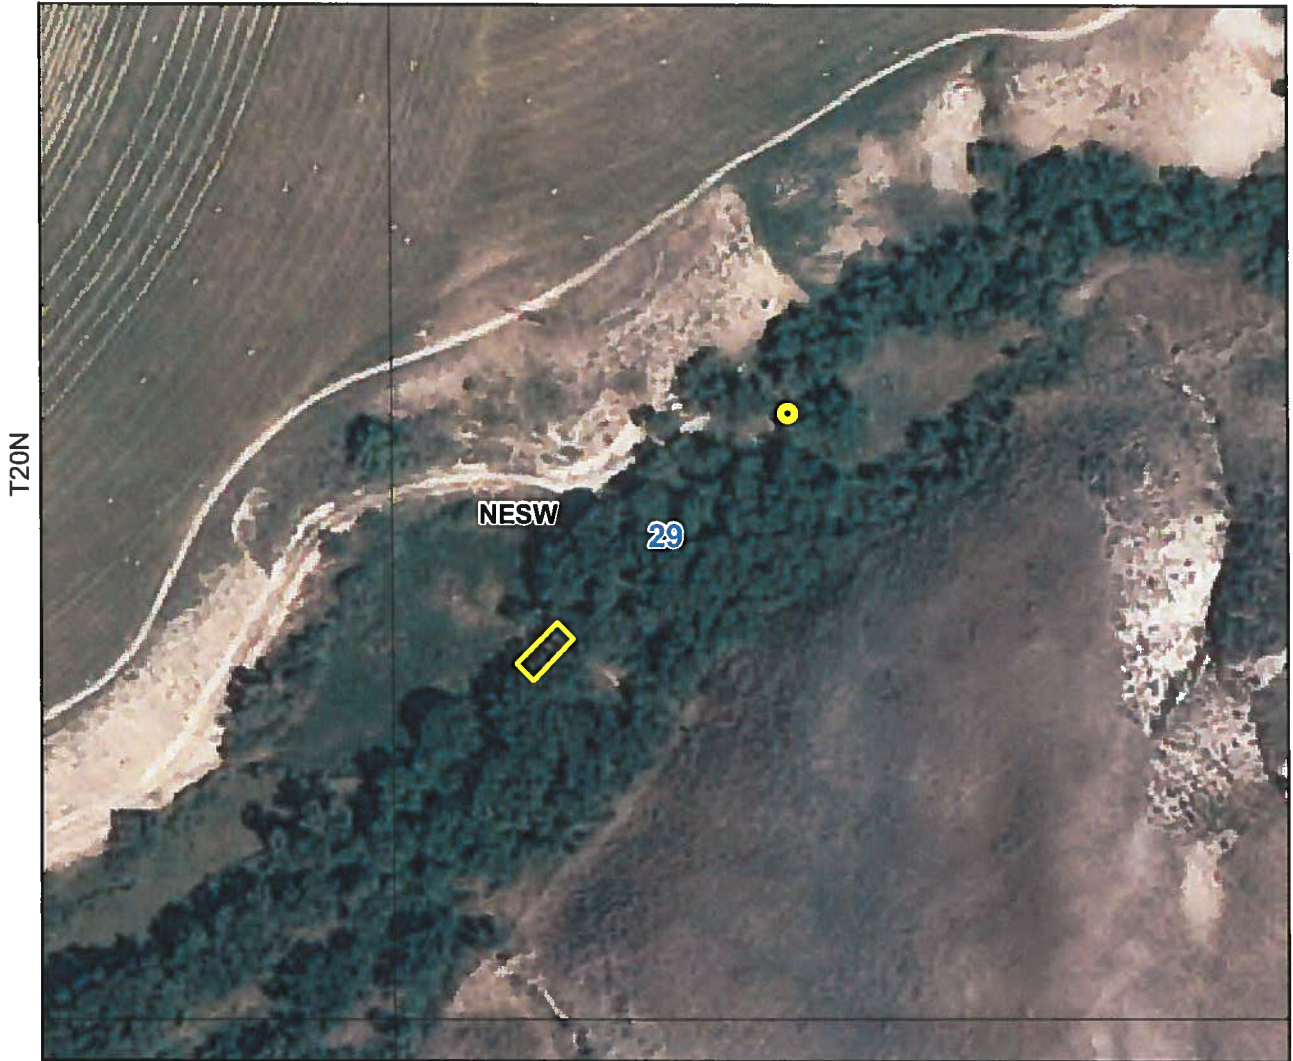

Signed this 17th day of December, 2012.
