RE: Change in Ownership Water Right No. 13-743, 13-744, 13-751 & 13-753

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Filing Fee** of \$100 per water right for changes resulting from division of a water right. It appears that a split of all the water rights listed on your application will be required. The filing fee for a division of the water right is \$100.00 per water right so for your application, \$400.00 would be required. You have already paid \$100.00 so an additional \$300.00 is required. Your deed does specify the water rights and if you believe you should receive the entire water right once the department receives a full chain of title it is possible we can determine the water rights in full go to you then a split will not be required.

**** **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The department will require a full chain of title from the current owner according to the department's records in order to complete your request. You can obtain this information from the county. For your reference the department has enclosed computer generated reports of the water rights showing the current owner of the water rights according to the department's records.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
