The "Notice of Change in Water Right Ownership" for 22-57 has been returned for the following item(s):

**** **Additional Filing Fee:** The department acknowledges receipt of 2 checks one for \$100.00 and one for \$25.00. A change of ownership (requiring a division of the water right) will be required for multiple water rights including the following numbers: 22-57, 22-466, 22-467 & 22-468. The filing fee for an ownership change requiring a split is \$100.00 per water right. So the filing fee required is \$400.00 (4 X \$100 = \$400.00).

**** **Evidence of Ownership:** In order for the department to complete your request a full chain of title from the current owners of the water right according to the department's records to you will be required. Please provide copies of the recorded deeds going from Robert and Sharman Wilson to you. Also the department is required to list ownership according to the Warranty Deed supplied, your application lists ownership in Ante Roman and Maria Roman however the deed attached puts ownership in Ante Roman a married man dealing with his sole and separate property. If you wish to list both Ante and Maria Roman as current owners of the water rights please provide a deed showing ownership as Ante and Maria Roman.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact Jonie Barg or myself at (208)525-7161.
