RE: Notice of Security Interest for Water Right No's: 2-2251, 2-10017, 2-10238, 2-10239, 2-10240, 2-10241, 2-10242, 2-10243, 2-10465, 57-2254, 57-11673.

Dear Party holding Security Interest,

The Department of Water Resources acknowledges receipt of correspondence adding security interest for WR No's **2-2251, 2-10017, 2-10239, 2-10241, 2-10243, 2-10465, & 57-11673** to you. The Department has modified its records to reflect the change in security interest and has enclosed computer-generated reports for your records.

However, security interest for WR No's **2-10238, 2-10240, 2-10242, & 57-2254** has not been modified. The Department was unable to complete the ownership change for the Van Es's which does have to be completed in order for the Department to put the security interest in the name of Rabo Agrifinance Inc.

I have enclosed the correspondence sent to the Van Es's for your convenience, and a refund has been requested that will be sent to the payer under separate cover.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or online www.idwr.idaho.gov.

Should you have questions, please call the Western Regional office at (208)334-2190.

Sincerely,

Rachel Sommer
Administrative Assistant I
