RE: Water Right No's: 2-10238, 2-10240, 2-10242, 57-2254.

Dear Applicants:

Thank you for submitting the Notice of Change of Water Right Ownership. Our review of your notice indicates that additional documentation is required before the Department can process the change. The requested information is listed below.

- A copy of the conveyance document- warranty deed, quitclaim deed, etc.
 - The Department has received a warranty deed; however the legal descriptions only cover a small parcel of land in Township 2N, Range 4W, Section 17, SESE.
- A new Notice of Change in Water Right Ownership form.
 - The form received has Dale & Jackie Van Es filled in under New Owners/Claimants with those signatures. However, the warranty deed has Douwe and Jacoba N. Van Es as Grantees; so I will need another form submitted with those names listed under New Owners/Claimants along with those signatures.
- Plat map, survey map or aerial photograph which clearly shows the place of use and a point of diversion for each water right/and or claim listed above to **clarify division** of water rights or complex property descriptions.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary documentation within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call me at (208) 334-2190.

Sincerely,

Rachel Sommer
