RE: Notice of Ownership Change for Water Right No's: 2-10238, 2-10240, 2-10242, 57-2254.

Dear Mr. and Ms. Van Es,

The Department has not received a response to the letter sent to you dated July 27, 2012.

The Notice of Security Interest received from Rabo Agrifinance Inc. cannot be processed without further action from you. In order for me to process this notice, the Department will need a Notice of Change in Water Right Ownership form submitted regarding the above referenced water rights. I have attached a copy of the form for your convenience.

Because the Department cannot process this request without the ownership of the listed water rights being in your name, we will hold any action pending receipt of the necessary documentation. If we do not receive the documentation within 15 days, the notice will be returned to Rabo Agrifinance Inc. and will not be processed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you should need more than 15 days to submit a change of ownership application, please contact me as soon as possible at (208)334-2190. I appreciate your cooperation in this matter.

Sincerely,

Rachel Sommer
