Re: Ownership Change water right #02-10238, 02-10240, 02-10242, 57-2254

Dear Mr. and Ms. Van Es,

On July 27, 2012 the Department received a request from Rabo Agrifinance Inc to place a Security Interest on the above Water Rights as part of a mortgage agreement, but the ownership on these rights is now listed as Leslie Loucks. (See enclosed) The ownership needs to be updated on the water rights for me to proceed with this request.

A Notice of Change in Water Right ownership document is required to be submitted in order to do this. I have enclosed the required form. Please fill out the document, remembering to sign it, include the conveyance documentation and the fee of \$100 if these rights are unsplit. Please return the completed document to the Department. Confirmation of change will be returned.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
