RE: Application for Transfer of Water Right

Dear Mr. and Mrs. Sauer,

The Department of Water Resources has received your water right application. Preliminary review of the application indicates that the water rights involved in the transfer require two signatures. I am enclosing Part 1 of the application for Shyla to sign where highlighted. Please return the signed page to the office within 14 days or we will return your application and your transfer will not be processed.

If you have any questions, please call me at the office.

Sincerely,

Denise Kidman
Sr. Water Resource Agent
