RE: Change in Ownership Water Right No. 22-13544

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question. The department acknowledges receipt of a copy of a Quit Claim Deed from Richard Kevin Jamison and Kathryn Louise Schmidt Revocable Trust to Kathryn L Schmidt and Richard K Jamison husband and wife, however the deed is not a recorded copy and a recorded copy is required. Also the current owner of the water right is Warm Creek Enterprises Inc and a full chain of title from Warm Creek Enterprises to you will be required. You can obtain copies of the recorded deeds from the county.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
