**RE: WATER SUPPLY BANK LEASE TERM EXTENSION
WATER RIGHT NO(S). 63-31462**

Dear Lessor:

As requested in your letter, received by the Department of Water Resources ("Department") on December 10, 2012, along with the \$250 lease application fee, water right no. 63-31462 will remain in the Water Supply Bank ("Bank"). The right will automatically be released from the Bank on **December 31, 2013** unless the right is released earlier or the lease is extended. To release the right from the Bank or extend the lease period, please submit a written request to the Department prior to the release date. Be aware your rights may not be available for immediate release if they have been rented.

At the end of the 2013 irrigation season, we will process payments to lessors. To allow us to process your payment, we will need you to complete and return the enclosed form W-9 (Internal Revenue Service Request for Taxpayer Identification and Certification).

The Department of Water Resources is required to file an information return with the Internal Revenue Service for all payments issued for water rented from the Bank. Payments for rentals cannot be issued unless the Department has received a completed IRS W-9 form.

If you have any questions, please contact this office.

Sincerely,

Christine Field
Water Supply Bank Support
