Re: Permit No. 03-10259

Ms. Block:

We are in receipt of your letter dated November 21, 2012, advising us that our water permit has been reinstated. We understand that the next step is to have a field examination completed to confirm the use being made of water per the conditions of the permit. Please contact our office when that examination is scheduled and we will make arrangements to have a representative present at that time.

Thank you for your assistance in this matter.

Sincerely,

Robert M. Tippet
President
