RE: Change in Ownership Water Right No. 22-13544

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of 'recorded' Deed, Title Policy, or other legal document indicating your ownership of the property and/or water rights in question. The department acknowledges receipt of the 'recorded' deed going from E & F LLC to Stephen J Gray 2007 Declaration of Trust, however the department will require a full chain of title from Warm Creek Enterprises to you before your ownership change can be complete; copies of the deeds can be obtained from the county recorder's office. Please supply the additional deeds at your earliest convenience.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
