RE: Notice of Ownership Change for Water Right No. 65-21252

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient information.

The ownership change was previously returned to you due to lack of documentation. On October 18, 2012, we discussed you submitting the application to our office a second time. I agreed to hold the application for 30 days to give you a sufficient amount of time to gather additional documentation. The ownership change was received by our office on October 26, 2012, and as of December 7, 2012, the Department has yet to receive the additional documents.

Because the Department has not received the required information, we are returning the application and all attachments. I have requested a refund that will be sent to the payer under separate cover.

Should you have questions, please call this office at (208)334-2190.

Sincerely,

A handwritten signature in black ink that reads "Rachel Sommer". The signature is written in a cursive, flowing style.
