Re: Water Right Permit No. 37-08575A
MTBR&F File No. 16845.0010

Dear Michele:

I am responding to your recent letter to Peter Stearns of the Sun Valley Company. Based upon your request, the Company has undertaken a careful review of its water use records and has engaged the services of Brockway Engineering to prepare a detailed report for presentation to the Department. Unfortunately, completion of that report will require more time.

In recent discussions with Shelley Keen, he indicated that a request for additional time under these circumstances would not be a problem. He requested that I document the Company's request in writing. Accordingly, I request an extension of time to provide the Department the information identified in your letter. I believe that an extension of 30 days from today's date will be sufficient. Please provide me with written confirmation that this extension is acceptable.

Thank you for your anticipated cooperation.

Very truly yours,

Scott L. Campbell
