Re: W-4 Dairy 36-2175

Dear Mrs. Van Bussum:

W-4 Dairy desires to lease 14.8 acres of water right 36-2175 to the Idaho Water Supply Bank for a two year period. Wheel line irrigation systems were historically utilized to irrigate the 314 acres covered by 36-2175. In the Spring of 2009, two pivots with swing arms where constructed.

The 14.8 acres to be leased are located in the corners of the pivots. A permanent location to transfer the 14.8 acres is being researched at this time.

Please copy our office on all correspondence regarding this application.

Sincerely,

Greg Sullivan, M.S.
