RE: APPLICATION TO LEASE WATER RIGHT NO(S). 22-2271D, 22-7052A, AND 22-7167A TO THE WATER SUPPLY BANK

Dear Applicant:

The Department of Water Resources ("Department") has completed its review of your application(s) to lease water right(s) to the Water Supply Bank ("Bank"). Based on that review, the Department cannot accept the above-mentioned water rights. The reasons are described below.

The Water Supply Bank Rules provide criteria to be considered when determining whether to accept a water right into the Bank. One of the requirements for a Bank application is proof of current ownership of the water right by the applicant. Ray Pocock signed the applications and did not submit proper proof of signature authority on your behalf.

Please note that a water right is not protected from forfeiture unless it is accepted into the Bank or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may also consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right.

If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum
Sr. Water Resource Agent
