Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for your records.

Per my conversation with Del Mitchell, Loan Processor on December 3, 2012 there are four (4) duplicated numbers on the Security Interest. As fees have been paid under receipt #C096260, I have included water rights 43-173A, 43-178J, 43-13099 and 43-13101 on this security interest as they are owned by the Harpers and are located within the deed boundaries. In addition water rights 43-2295E and 43-2295G currently have security interests filed by D. L. Evans Bank on July 8, 2011 with an expiration date of March 1, 2021.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or online www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
