Re: Proposed Water Right Rental from Water Supply Bank
Water Right 35-8362
B&H Matter No. 1249

Dear Ms. Bussum:

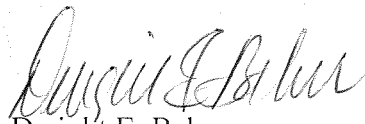

I am responding to your letter of November 5, 2012, a copy of which is attached.

Mr. Lebrecht and Big Butte Ranch made alternative arrangements for the year 2012, and therefore the water in question was not used during the 2012 irrigation year.

I am hopeful this letter responds to your inquiry; if not, please let us know.

Very truly yours,

BAKER & HARRIS
