Dan,

Concerning the application for Permit 74-7337, you can change the amount from \$50.00 to \$100.00 for the Interdepartmental Transfer. Please use PCA 35790.

Subject: Licensing Amendment for 74-7337

Hello Larry,

We received your application to amend Permit 74-7337 and the request for Interagency Billing Process for the filing fee of \$50.00.

Unfortunately, in my letter concerning the need for the amendment, I failed to account for the recent change in filing fees passed by the 2011 legislature. Effective July 1, 2011, the statutory filing fee for an application to amend a permit is \$100.00. If you could send me an email approving the \$100 Interagency Billing request, I can move forward with the amendment and licensing of the permit.

I apologize for my error and the inconvenience of having to respond twice. Our Template letters haven't caught up with this change, and I simply missed changing the letter.

If you have any questions, please contact me.

Thank you for your time.
