PROOF DEFICIENCY LETTER

RE: Permit No. 63-12333

Dear Permit Holder(s):

During my review of your statement of completion ("proof") for this water right, I noticed that the license examination fee was not fully paid at the time of filing proof. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use.

Your proof statement cannot be processed without submittal of the entire license examination fee. The permit was issued with a maximum diversion rate of 1.96 cfs from ground water. Based on your maximum diversion rate the exam fee is \$125.00, and the amount still owed is \$25.00. I am enclosing a copy of your permit along with a license examination fee schedule for your reference.

Your proof statement cannot be processed without submittal of the entire license examination fee. Upon receipt of the additional \$50.00 owed for the license examination, I will be able to move forward with processing your proof. I will hold this matter for your response for fifteen (15) days from the date of this letter.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,
