RE: Change in Ownership for Water Right No. 13-4224

Dear Applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for 13-4224.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

XXXX Description of Portion of Water Right resulting from division of a water right:
We have enclosed a Proof Report that states the specifics of this water right. It has been determined that in order to properly divide this water right we will need a statement signed by both you and the other person holding an interest in this water right. This signed statement will need to specify who gets what acres in each quarter-quarter.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
